

Dyad ID = 1

Dyad ID = 2

A 10x10 grid of colored squares representing a heatmap. The colors transition from dark purple in the top-right corner, through pink and red, to bright orange in the bottom-left corner. A single black dot is positioned in the bottom-leftmost square. The grid is composed of 10 rows and 10 columns of squares, each separated by a thin black border. The color gradient is smooth and diagonal, with the most intense orange at the bottom-left and the darkest purple at the top-right. The black dot is a small, solid black circle located in the center of the bottom-left square.
